LEADERSHIP AWARD ANDREA BAILEY

Each year at Party in the Library, the Hartnell College Foundation Leadership Award is presented to an outstanding individual who embodies the values of leadership, community engagement, and championing student success at Hartnell College. This year, at our 18th celebration, we honor Andrea Bailey for her exceptional leadership and unwavering support.

Andrea Bailey is a dynamic force within the Salinas Valley, holding the esteemed position of Public Affairs Representative in Corporate Affairs at Chevron. Her professional excellence is exemplified by her role as Vice President on the Hartnell College Foundation Board of Directors since 2018. Additionally, she is pivotal in various initiatives, co-chairing the President's STEM Task Force and Monterey County STEM Talent Expo and contributing to committees such as WELI Soirée and Party in the Library.

Her dedication to education and community empowerment shines through her longstanding commitment to Hartnell College and its students. Andrea's unwavering support is a testament to her deep-seated belief in the transformative power of education.

Congratulations to Andrea for all of her remarkable achievements and the profound impact that she has made on our students and community!

FOUNDATION**

DEAR FRIENDS AND SUPPORTERS OF HARTNELL COLLEGE:

I am deeply honored to serve as the Superintendent/President of Hartnell College, dedicated to our collective mission of prioritizing student success. Hartnell College is a place of abundant and purposeful opportunities, fostering creative collaborations with our community partners to uplift the Salinas Valley and beyond. Our campus is a nurturing environment where our students can flourish.

The remarkable community backing for our students is enabling significant achievements at Hartnell. Whether it's the advancement of plant science in Castroville, agriculture in King City, administration of justice in Soledad, mechatronics at the Alisal Campus, health careers on our main campus, teacher pathway programs, or any of our diverse educational pathways, our commitment to bringing opportunities to students in their own communities remains vibrant and successful. Your collaboration in these initiatives serves as a constant inspiration to us.

Party in the Library is a glowing example of how our community comes together to invest in education and leadership. Since its inception in 2006, the event has raised over \$6.5 million. Thanks to your investments, the Foundation has supported creative and innovative projects and partnerships that make the College's mission a reality. For every \$1 raised to support Foundation operations at this event, we raise \$19 for Hartnell College and our students. The investment you make today will inspire our students to continue working toward their goals and, in turn, give back to our community.

I want to extend my sincere congratulations to Andrea Bailey, this year's recipient of the Leadership Award, for her impactful contributions to Hartnell College and the Salinas Valley community. I am truly grateful to our donors for their continuous support of the College, the Foundation, and our exceptional students.

With gratitude,

Michael Gutierrez
Superintendent/President
Hartnell College

DEAR COMMUNITY LEADERS AND FRIENDS OF HARTNELL COLLEGE:

As President of the Hartnell College Foundation Board and Executive Director of the Hartnell College Foundation, we are thrilled to welcome you to the 18th Annual Party in the Library!

This special occasion has significantly influenced the Hartnell College community and has fostered philanthropy in the Salinas Valley. We sincerely appreciate the collaboration of our donors, supporters, and friends in our mission to aid students, drive innovation, and advance our institution. Since the launch of this event, your generosity has enabled the Foundation to raise over \$6.5 million, profoundly impacting the lives of Hartnell students, faculty, staff, and the wider community. This year, we were delighted to grant over \$1 million in scholarships to more than 2,000 Hartnell College students.

Andrea Bailey has spearheaded the initiative to champion Hartnell students and cultivate new opportunities for them through partnerships with local businesses. This effort aims to create pathways for students to gain practical experience, develop crucial skills, and access professional networks within their community. Andrea Bailey's dedication has not only opened doors for Hartnell students but also catalyzed a broader movement toward educational equity and economic inclusion.

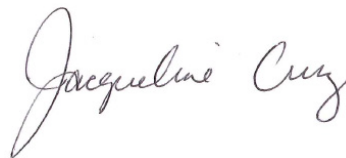

The Party in the Library Committee, the Hartnell College Foundation, and our Board invite you to enjoy tonight's party and to continue supporting our students as we look toward new partnerships, programs, and strategies to sustain and grow opportunities. In pursuit of our mission to cultivate resources to champion student success, we strive to provide every possible means for students to achieve their goals and dreams. None of what we do would be possible without you!

Thank you for your partnership in supporting our students' dreams.

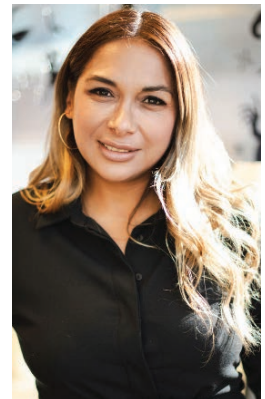

With gratitude,

SCHOLARSHIPS AND INTERNSHIPS

WEAVING OPPORTUNITIES FOR OUR FUTURE LEADERS

Hartnell College scholarships and internships change lives! As students continue to use their incredible strengths to persevere, we hope you will help us eliminate barriers to the bright futures they pursue for themselves, their families, and their community. We are all interwoven in the fabric of our Hartnell College community. Raise your paddle to help students weave the story of their success.

BASIC NEEDS SCHOLARSHIPS

Our students face tremendous obstacles along the path to success, including reduced employment or unemployment, health challenges, unstable housing situations, food insecurity, and transportation needs. We are very pleased to be able to provide Hartnell students with scholarships to help address these basic needs.

SALINAS VALLEY PROMISE PROGRAM

Hartnell College, the Hartnell College Foundation, and the Salinas Valley Promise Committee are proud to support a life-changing program known as “The Salinas Valley Promise.” This comprehensive, large-scale college completion strategy and leadership program will provide the following to all incoming graduates from our local high schools who enroll in college full-time and for the first time:

- Team/Cohort model
- Industry, community, and peer mentorship
- Leadership Institute
- Quarterly professional development workshops with fellow Promise students
- Tuition scholarships for all students
- A laptop device to help students complete course work or, if they have a device, scholarships for textbooks

SUMMER INTERNSHIPS

Summer internships provide students with work experience, build confidence, expand their professional network, support their personal development, and often lead to permanent job offers. Hartnell College students have been awarded internships at renowned research institutions such as the US Department of Agriculture, the Naval Postgraduate School, NASA AMES, UCSC, and CSUMB, to name just a few.

JOIN THE HARTNELL COLLEGE FOUNDATION LEGACY SOCIETY

We encourage people to join the Legacy Society to ensure that Hartnell College continues to thrive for the next 100 years and beyond! Your estate gift creates bright futures for our students.

ADVANTAGES OF JOINING THE LEGACY SOCIETY:

- You have the great satisfaction of making an impactful investment in the lives of generations of our students, their families, and the future of our community.
- Your taxwise gift from your estate to the Hartnell College Foundation may reduce your federal estate taxes.
- If you let us know of your plans, we will be able to thank you and recognize your legacy as a member of the Hartnell College Foundation Legacy Society.
- You will advance your legacy to represent what is most important to you.
- Through your leadership, you will encourage others to make their gifts, thereby expanding your impact.

Please visit hartnell.giftlegacy.com for further information as you take next steps, including working with your professional advisor. Contact **Jackie Cruz at jcruz@hartnellcollegefoundation.org** or **Kris Edmunds at kedmunds@hartnellcollegefoundation.org** or **by phone at 831-755-6810** to discuss any questions you may have about making your planned gift.

BE A FOUNDATION FOR SUCCESS RAISE YOUR PADDLE!

Hartnell students are determined and passionate. They work hard to overcome incredible challenges and achieve their greatest educational goals. More than half of Hartnell students are the first in their family to attend college and over 85% come from low-income families. Many face daily food and housing insecurity, transportation challenges, and the need to pay medical bills. Most work multiple jobs to put themselves through school while supporting families. Your gift of support for scholarships and internships often makes all the difference for a promising student to succeed.
