Dear Friends,

It is a privilege to serve as the Superintendent/President of Hartnell College and to witness the extraordinary impact of our shared commitment to student success. Hartnell is a place of opportunity, growth, and transformation—where education empowers individuals and strengthens entire communities.

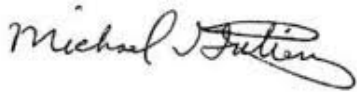

Thanks to your unwavering support, our students and the college are growing and reaching new heights. Last year, Hartnell College earned the prestigious Seal of Excelencia, a national certification for institutions that intentionally serve Latinx students. Last Fall, the Salinas Valley Promise admitted its largest cohort of incoming scholars in its history, with a total of 1,396 first time, full-time students being accepted into the program. Hartnell College and Cal State Monterey Bay also launched a new Panther Otter Pathway Program, creating a clearer pathway for students to earn a bachelor's degree.

THE Party at Hartnell College exemplifies the power of community investment in education. Your support today fuels innovation and expands opportunity throughout the Salinas Valley.

I also want to extend heartfelt congratulations to the Ag Steering Committee members, recipients of the 2025 Leadership Award, for their longstanding dedication to student success and workforce development in our region.

Thank you for being champions of Hartnell College and the bright futures we're building together.

With gratitude,

Michael Gutierrez
Superintendent/President
Hartnell College

Dear Supporters,

Welcome to the 19th annual Party at Hartnell College! This cherished event continues to be a catalyst for philanthropy and progress—not only at Hartnell College, but throughout the Salinas Valley.

Since its inception, your generosity has helped raise nearly \$7 million to support Hartnell students, programs, staff, and the broader community. The impact is profound and far-reaching.

Thanks to your support last year, the Foundation awarded over \$1 million in scholarships and more than \$4 million in program support—including \$500,000 for the arts and athletics. In addition, the Foundation leads initiatives like Bright Futures, a cradle-to-career partnership with over 30 organizations. Together, we've helped local families open nearly 13,000 CalKIDS accounts, representing over \$6 million in college savings for youth across Monterey County.

We are especially proud to honor the Ag Steering Committee with this year's Leadership Award. For nearly two decades, their steadfast support has strengthened our college and foundation, helping us grow and serve our community in powerful ways.

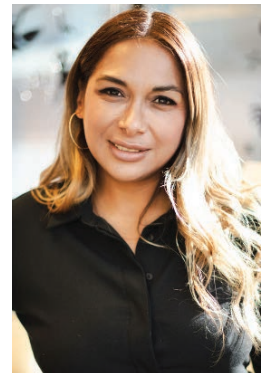

Tonight, we celebrate what we've accomplished together—and the many opportunities ahead. On behalf of the Hartnell College Foundation Board of Directors, our Party in the Library Committee, and our entire team, thank you for being part of this journey.

Let's keep building a brighter future for our students and our region.

Every paddle raised today helps turn determination into achievement. Hartnell students are courageous, resilient, and driven to succeed—often while navigating extraordinary challenges. More than half are the first in their family to attend college, and over 85% come from low-income households. Many juggle multiple jobs, care for loved ones, and face food or housing insecurity—all while pursuing their education.

The Hartnell College Foundation's work helps Hartnell students stay in school, complete their education, and build brighter futures for themselves, their families, and our community.

RAISE YOUR PADDLE AND BE THE DIFFERENCE.
